

July 23, 2008

Dear Parents,

The Pleasantdale Board of Education determined at its July 16, 2008, meeting that the tuition for extended day kindergarten will not be increased to \$3,250 until the 2009-10 school year. The tuition increase is being delayed one year because parents of incoming kindergarten students were not properly notified of the increase.

The extended day kindergarten tuition will remain at \$2,250 for 2008-09 only. Please contact the Elementary School at 708-246-4700 if you wish to enroll your child in the extended day program.

The Board of Education also decided to provide preschool and extended day tuition scholarships for families in economic need. Questions about scholarships may be directed to Catherine Chang at 708-784-2013 extension 124.

Sincerely yours,

Mark Fredisdorf
Superintendent

Leandra Sedlack
President, Board of Education
