

Governance and Planning

Policy Planning

With the support of the Superintendent, the Board of Education will utilize a framework for policy planning ensuring that:

1. District policies are consistent with and supportive of the District's Strategic Mission and Objectives.
2. Appropriate stakeholder input is obtained during the development process.
3. The District's policies and procedures are in compliance with applicable laws and regulations.
4. The District is operating in compliance with its stated policies and procedures.

LEGAL REF.: 105 ILCS 5/10-20.5.

ADOPTED: December 14, 1994

REVISED: April 21, 2004
