

Personnel

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunities and minority recruitment. The Superintendent is responsible for making hiring recommendations to the Board. Hiring recommendations are subject to Board approval. No individual will be employed who has been convicted of a criminal offense listed in Section 5/21-23a of The School Code. No substitute teacher will be employed without first presenting his or her certificate of authorization from the appropriate Intermediate Service Center.

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict. A written description of each employment position shall be established prior to the approval of the position by the Board of Education and all such descriptions shall be maintained in district files.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. The Superintendent or designee shall notify an applicant if the applicant is identified in either database. A conviction record will be kept confidential and shared only with the Board President, Superintendent, Regional Superintendent, State Superintendent, State Teacher Certification Board, or any other person necessary to the hiring decision, or for purposes of clarifying the information, the Department of State Police and/or Statewide Sex Offender Database.

Each newly hired employee must complete an Immigration and Naturalization Service Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in Section 5/21-23a of The School Code or who falsifies, or omits facts from, his or her employment application or other employment documents.

Physical Examinations

New employees must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease, including tuberculosis. All physical fitness examinations and tests for tuberculosis must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination and tuberculin test performed no more than 90 days before submitting evidence of it to the Board.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority

by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position.
