Coming up!

Reading

We will be spending the next two weeks finishing up Ramona Quimby, Age 8. Congratulations to all 3rd grade students! You did a great job on the reading I SAT test!

Writing

The students will continue to work on writing expository paragraphs with details and great word choice. The students will be taking the I SAT writing test on Monday.

Connections

We will only be meeting on Monday and Friday due to I SAT testing in the morning. Students will be taking the I SAT writing test on Monday.

Math

The students will be taking the math sections of the I SAT test next week. Please make sure your child continues to study his/her addition and subtraction as well as their multiplication facts each night.

www.gamequarium.com

Science

We will finish up Chapter 3 in our Science book which discusses animal habitats. We will be putting the final touches on our animal reports as well. Animal posters will be on display at Experience Elementary on April 7th.

Social Studies

We will be discussing the assembly line. We will learn about what an assembly line is, how it is used, and we will create our own assembly line in class!

I SAT Testing

Students will be taking the I SAT tests from March 2nd through March 11th. The students will be taking tests in the areas of reading, writing, and math. Please make sure that your student gets a good night's sleep, eats a healthy breakfast each morning, and arrives to school on time. Testing will start at 9:05 each day. Please refer to the I SAT schedule on the back. Please remind your child to try their hardest, and that they will do great!
