

The Broken Hearted Girl

Diary of a Broken Hearted Girl

By: Sophia

Day 1

First, everyone thinks I am ugly and a know it all! Then, they think I am a smarty pants! But most of all I have no friends! Or a date to the prom! Which is in 2 monthes! I have blue eyes and red hair. I am not stylish. I wear jeans and a short t-shirt. Today I wanted to wear a dress. I hope nobody laughs at me.

Sorry, I forgot to say that I am an only child and my mom died in a terrible car accident. I live with my dad but he goes on business trips a lot. So, a baby sitter watches me. I am 16 and I don't know why I need a baby sitter.

Yesterday I heard people talking about me. They say I'm so ugly and a know it all. Also, a smarty pants. Others say I have no talent and study all day. They also say I'm fat. That one makes me cry. I only wear a size 6 in women's wear. Sometimes I stop at Plus for Huge Ladies. I don't know why it's such a big deal.

Even a nerd hates me. He is uglier than me. Believe it or not the nerd, A.K.A Bob, has friends and has a date to the prom. I am mad at him because he is a nerd and he treats me the same way. He gets straight A's. I also get straight A's. He thinks he is way smarter than me. I really can't believe him. Did I ever tell you of my old friend? We were closer than anyone until she joined the cheer squad. Then, she thought I was ugly, fat, and a smarty pants. Also, she thinks I am a know it all. Then she acts as my friend and I fell for it. When she slept over at my house she took my doll that my mom gave to me. The next day she showed everyone and I got embarrassed. I ran into the girl's room, locked myself in a stall and started to cry. Then the bell rang and I didn't hear it. There was no clock in the girl's bathroom. I just had my watch and it fell into the TOILET! SPLASH! OPPS I just **FLUSHED IT DOWN!** Then the door wouldn't budge. I was stuck there all day! I heard the janitor and started screaming. Then he opened the door. It still wouldn't budge. So, he called a lock person. He got me out.OMG! It smelled really bad! When I got home my babysitter freaked out. She kept on screaming at me. Then, my dad walked in

while she was screaming at me. Guess what? He didn't even care. Then, he went up stairs to unpack. Lindy made me write a 500 hundred WORD ESSAY on why I come home late.

While we were eating dinner dad told Lindy and me that after dinner he has to go to China for two months. PS: Lindy lives with us and she is so mean. Sometimes she invites her work friends over. She works at a restaurant too. They make me go to bed at 8:00 p.m.

Instead of me going to recess I go to study hall. Lindy makes fun of my rusty truck. Also, she says that it is funny that I am 16 and I don't have a cell phone. Sometimes I hear Lindy and her friends talking about me. They say I am a cry baby. Sorry her friends are Jenna, Sydney, and Ella. Also, Francesca she is the only one who makes fun of me. The others just laugh.

I tutor a kid named Elizabeth. She really hates me! I didn't do anything to her. Did I tell you about how she began hate me? The day before a big test I tutored her. Then, she got an **F!** That's how she hates me.

Day 2

Today it's my mission to try to make friends. Let's see how it goes. First, I'm going to ask Anne. I hope she accepts. She said **YES THEN NO!** I am so mad! That I went storming out of the girl's bathroom. I ran home and forgot my rusty old pick up truck. Lindy punished me. I am very mad! So I decided to watch How to Make a Movie Star Your Friend! See I love this show. Since we live in Florida there are very rarely any movie stars. So I practice on people in my school. Or a dummy I call her Lisa. Lisa is the only thing I tell all my secrets too. Besides you diary!

Never once in my life I wore makeup.

By the way Lindy birthday is tomorrow and she is turning 34. My dad met her when my old friend bumped into her at the mall. My old friend introduced them. Then she was very nice and sweet. My dad still thinks she is nice and sweet. That's why when he's going to ask her to marry him! He gets distracted by her beauty!

Anyways I'm going to try to make friends with Liv and Marry. There very nice they don't say mean things to me. Once they sat down at the lunch table with me. They're also sisters. But they were very quiet. Let's go see if they

want to be my friend! They said maybe. Then after that LA they told me NO! I didn't see that coming. I mean that's a shocker. This time I am walking around and asking every girl I see. Guess what one of the girls said YES than NO! That is the second time it happened to me. Then, EVERY GIRL IN SCHOOL TOLD ME NO! I am angry, Furious! Now I squeeze a pillow.

Hey, do you believe in aliens? Well I don't. So HAH! Sorry, I got carried away.

Yesterday I had a dream about an alien invasion. All of the aliens were NONSMART! They failed taking over the world because a meteoroid hit there space ships. While they were in it then, I woke up. I started counting sheep I counted ONE HUNDRED. It took me Thirty minutes.

After that, I had a dream about me being a priest and my dad, Lindy got married. I went on the honeymoon with them and I got lost. Then, a cage dropped on me. Then, a cute prince rescued me! Two days later we got married. I got really sick. I was in the hospital for one week. My dad and Lindy never came to visit me. Or the prince, one day he picked me up then I made lots of friends. Then I died. That was it.

Day 3

Today it is one month till prom. I really want to go. But I don't think that I will be successful. Everyone thinks I'm ugly and know it all, and a smarty pants. Especially Ava she is the most popular girl in school. She also thinks I am a slimy frog. Can you believe her? I am so mad at her when she announced it to the whole school on a microphone. Sorry Ava is Lindy's younger sister. So if my dad married her (a.k.a. Lindy) she will probably be my STEP AUNT! I never know she might be nice to me? OR NOT! But I think her mom will make her be nice. That means Ava's Mom will be my STEP GRANDMOTHER! My mom used to be friends with Ava's Mom. Ava used to be my friend. Until my mom died I think she was only pretending? How could she? I thought we were friends?

OPPS I just spilt my water on the rug what a bummer. Whiled Lindy walked into the room she got really mad at me and made me cut her toe-nails. Then, massage her FEET! I really can't believe her! Can you?

Guess what she took my purse and paid someone to be her butler yesterday!

Did I mention I have a few jobs? Sometimes I work at the cafeteria at school. For juniors' not Senior's the other I work at a McDonald far from school. Do you have a job? Hello do you have a job? Sorry, I'm not talking to anyone. I am really sorry!

When I grow up I am going to be famous model!

Now, I'm looking for a new watch. Do you think anyone will help me? Sorry, again I'm not talking to anyone.

Besides if you are reading this diary. That I hold in my hand. Your family will be doomed for ETERNATY! Not really I'm just kidding with you. Or what if it really happens? I'm so scared. Also, I am very sorry. Do you think it will really happen? Again I'm not talking to any one. I'm sorry I keep on doing it. You don't know how mad I am at myself! I found a Hannah Montana watch and I bought it.

Day 4

So today I'm looking for a date. Now, I'm going to drive to Bob's house. (Another Bob) I hope he says yes. When I got there he answered the door. His house was a pig sty. Did I mention I'm a neat freak? So I pushed the door on his face! Then I ran back to the car. He opened the door and ran after me. Then, I stepped on the pedal really hard. Then, it went zoom! ZOOM! ZOOM! ZOOM! I looked back and he ran after. Then, I ran out of water for me to drink. P.S I drink water when I'm nervous. He said YOU NEVER SLAM A DOOR IN MY FACE NEVER! I saw his face was full with rage. He scared me so much. I stepped on the pedal even harder. Then, I blasted off and ran through a stop sign when cops were right behind me. I didn't bother stopping or looking back. Then, the police car put on his sirens. Now, I knew I was in BIG TROUBLE! All the sudden it reminded me when my mom died. Here is my story. One day my mom was taking me home from school. Then, while we crossed on a green light a truck ran a red light across from my mom. It took the front of are car off and then ran over it. Also, nine cops were walking to there car and one of the cops pointed it out. The short one chased the truck. But the other 8 came to see if my mom and I were still a live. The tallest one walked over to me and

told me that she was dead (my mom was dead). First, I didn't believe him so he took me where my mom was. Then, I saw her lying dead in the middle of the street. OPPS! Now, there are 3 cops chasing me. I had the flash back again and again. After three times I stopped the car right in front of my house I told the 3 cops this is my house. Then, I realized the tallest one noticed me. I had the flash back again. Then, he waved his hand in front of my face while I was in the middle of the flash back. "He walked up to me and told me aren't you the one that your mom died in that terrible accident?" I whispered in his ear "Yes." I only told him what happened he believed me and let me go. He told the others and called me they said it was okay. He added if I see you or hear you do that again I will give you a ticket. I replied I agree. Then, he hung up on me. Good thing Linda didn't know she would have killed me.

Now I'm driving to Ken's house (his last name). A skinny handsome tall man walked out. He asked me why I was here. I replied I'm here to see Adam. He turned around and looked back at me and laughed a big mean laugh. Adam pushed the tall man out of the way. I asked him my question! He said never. I ran into my car crying historically. It was about 9:00 and I drove home and didn't bother saying hi to Linda. (Linda or Lindy either way) She was asleep. I was tired. I didn't bother putting on pj's or brushing my teeth. I just hopped into bed shut off the lights and went to bed.

12:00 p.m.

I had a bad dream. Here it is. Today I'm asking every boy in school. I hope they don't turn me down like when I asked every girl in school to be my friend. Okay let's hope someone says "Yes". I felt as if my life was coming to an end when I was about to ask Rob. So, I ran away. Then, one of the hall way patrols gave me a ticket. So, I read it. It said "Don't throw away" I didn't notice a hidden camera and some more writing I went to the garbage can and throw it away. Right when I throw it away it started beeping. BEEEP! BEEEP! BEEEP! BEEEP! BEEEP! BEEEP! BEEEP! BEEEP! Everyone could hear it. Five hall way patrols ran to me and surrounded me. Another one came and picked the ticket up. Detention for a month young lady! NO! NO! AND NO! I yelled at them. The tiny one took me to the principle Rodger De Mwa La Te McDonald was sitting

in his chair. On his desk was a picture of my dad and Linda. Then, he ripped the picture to shreds.

Day 5

I woke up with a terrible headache. Now, I'm taking my temperature. Come on its 98.6. I really don't want to go to school because of my test I had yesterday. But I have to go.

So, I'm asking every boy now. Now, my heart is racing, BOOM! BOOM! BOOM! Finally, it's all done. But every boy said NO! I'm so mad really mad at myself.

P.S. I got a B on my test.

Now I'm going to get soaked because it is raining.

Today is a horrible day I'm just going to bed.

Day 6

I just heard of this awesome match website for our school. I'm going to try it out. I hope it works! It might just help me. The website is called www.prommatchla.net. I'm so happy I might just get the cutest guy in school. Right now I'm typing in my e-mail address (I'msmart107). Now, it says you will get your answer three days from today. It was written all over school today so everyone with out a date will join. I'm very sleepy. I'm going to bed.

Day 7

Today the posters were took down by principle Rodger De Mwa La Te McDonald and my favorite teacher Mrs. Allener. There going to be married in two weeks. Or one week I'm not sure. This means she will be Lisa McDonald. The rest of Rodger's name is his middle name but he likes to be called every single word.

I'm going to finish my homework. BYE!

Day 8

What do you think I should wear today? Faded jeans with a top or a top and a skirt I'll just wear faded jeans with a top.

After Supper

Sorry I can't write a lot but I have volunteer work at the school. (Extra credit.) See You Later!

Day 9

Today it will tell me if I have a match. I'm so excited. Here I go.

After checking website

I'm so mad there is no match for me. It's not fair. Everyone should get a match for the prom. Good Night!

Day 10

Today I'm going to buy a lottery ticket to go on TV to be a model. I'm not getting my hopes up that much. A lot of lottery tickets I bought I've had dropped it or I didn't win. Here it goes. I took a penny out of Linda's purse. OUCH! I got a paper cut. It was a lose wrapper. Linda thinks I'm a cry baby and doesn't come up stairs. I put a bandage on it and scratches away at the lottery ticket. The penny dropped out of my hand about ten times. It was not fun. I finished finally. OH MY GOSH! I JUST WON THE CONTEST. I can't wait to tell the entire school. Now I'm going to stay up all night.

"FRENCHESCA BE QUITE!"

"NO I WON'T LINDY."

"THEN YOU'RE IN BIG TROUBLE!"

"FINE!" ERRR! Why does she have to be so mean and rude to only me!

Later

Well it's about 12:00 p.m. and I'm getting tired.

Day 11

Today is Friday and we are going on a field trip to a blueberry farm. We have to be there at 6:30 a.m. I woke up at 5:00. That means only five hours of sleep.

Well I hope they believe me. If they don't believe me I'll tell them to watch the show tomorrow night.

Before bed

No one believes me. I will show them! They will be jealous of me. Well I'm going to pack and go to bed. I have to fly to Los Angeles. My flight is at 12:00 p.m. I will arrive about 2:00 to 3:00 p.m. don't worry I'll bring you a long with me so, good night.

Day 12

It's about 5:00 a.m. and I'm tired. I know I told you but I only had seven hours of sleep one night ago sorry I lied. I better wake up Lindy she's coming with me.

7 hours later

We just boarded the plane. It's my first time riding on a plane. I'm super excited but also, scared what if the plane runs out of gas or crashes. I'm going to stop I could go on all day. The pilot just said "Were taking off in 20 minutes."

Lindy is painting her nails a cool green. It latterly glows in day light! She says it is glow in the dark!

She brought to much money with her. She wants to buy clothing and souvenirs with the money she brought on the trip. I think she should spend her money on more important things like food drinks and other things. Now, she's blowing on her nails like a madman. Were taking off in 5 minutes Lindy's still blowing on her nails like a mad man. Everyone's staring at her. It's embarrassing. Finally she stopped and no one's staring at us anymore.

Blast off in 5.....4.....3.....2.....1..... Blast off! That was amazing, cool. We just went through a cloud and then another one. This is so cool. Don't you think! We went through another one and two more. Oh, my gosh people look smaller then ants. Buildings are the size of the tallest man in the world. THIS ROCK'S! I'm going to try to fall asleep. Not literally fall but go to sleep.

20 min. later

I can't fall asleep because the guy in front of me is singing. It's been 10 minutes now, and he just won't stop singing.

30 min. later

Finally he stopped it and gave me a bad head ache. I still have the bad head ache.

OUCH! The kid behind me keeps on flicking me. I told him "If you don't stop I'll tell your mom" so he stopped. Now, I can get some rest.

Flight is over

Finally we landed. They're giving us our suit cases. Linda's got lost so she is buying clothes.

We just left and Linda's checking us into a fancy hotel. Every room is like a size of a town house except there is no down stairs or upstairs. We are on the top floor Linda requested. Any ways were on floor 32 and number 500,000. Were the closes to the elevator! It about seven p.m. now and my hands hurt.
