*Here's what we learned in Spanish class this week:*

## 1<sup>st</sup> Grade

The first grade classes finished up their weather projects and started reviewing numbers for our upcoming unit, counting to 30!

## 2<sup>nd</sup> Grade

Second graders finished up their 10s unit with a pronunciation quiz and we just started learning the parts of the face.

## 3<sup>rd</sup> Grade

The third graders learned how to write the date in Spanish in a complete sentence this week. They also learned how to abbreviate the date using numbers.

## 4<sup>th</sup> Grade

Fourth graders rocked their fashion shows! They had a lot of fun strutting down the red carpet runway. Now we're buckling down and preparing for next week's test to finish up the clothing unit.

*Have a great weekend and thanks for reading!*
