Dear Parents and Guardians:

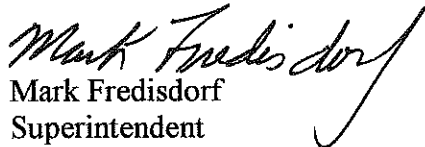

For the school year, 2009 to 2010, the cost for a regular lunch will increase from \$2.00 to \$2.25. The cost for a Nutri-Track lunch will increase from \$2.50 to \$2.75.

Lunch fees charged to families have not been increased since 2004-05. As food prices have increased significantly in the past two years, the increases from our supplier, Food Service Professionals, have been absorbed by the District. It was determined that an increase was deemed necessary and the Board of Education acted on May 20, 2009 to increase fees for hot lunch.

Even with the fee increase, district subsidies will need to continue in 2009-10 to meet the costs of the hot lunch program. This current school year, the District is subsidizing the hot lunch program by an estimated \$15,000.

Thank you for your understanding in this matter. Please don't hesitate to contact me with any questions.

Sincerely,

Mark Fredisdorf
Superintendent
