## Base Registration Fees Eliminated Beginning 2011-12

Dear Parents and Guardians,

We are pleased to inform you that base registration fees will no longer be charged in grades K-8 starting next school year. The Board of Education unanimously voted to discontinue base registration fees at its January 19, 2011 meeting. The District is in a financially strong position so that revenue lost due to eliminating registration fees will not have a long term negative effect on our high quality educational programs. The following chart compares 2010-11 fees and fees to be charged starting next school year.
